

## Roll Machining Technologies & Solutions

Introduces exclusive technology for the tool & pipe industry

# The Tube Snake

### The essential tool for every tube & pipe mill

- ✓ See weld area overlap
- ✓ See inside the tube weld flash
- ✓ See the jaw & blade clearance
- ✓ See the match up of all roll tooling
- ✓ See inside the tube for all roll marks
- ✓ See Roll marks on the back side of any tube
- ✓ Easily maneuvers under safety curtains (light)
